

Are you a qualified nurse, therapist, or health professional?

WE NEED YOU!

My Life is an innovative charity, working to give people who have continuing health care needs more choice and control over their own lives through a **Personal Health Budget**. We are actively seeking to recruit individuals who are qualified in this area, to work either part-time or full-time, to help us to develop qualitative support plans, oversee and deliver high quality bespoke care, and provide support to individuals across Burnley and the surrounding areas.

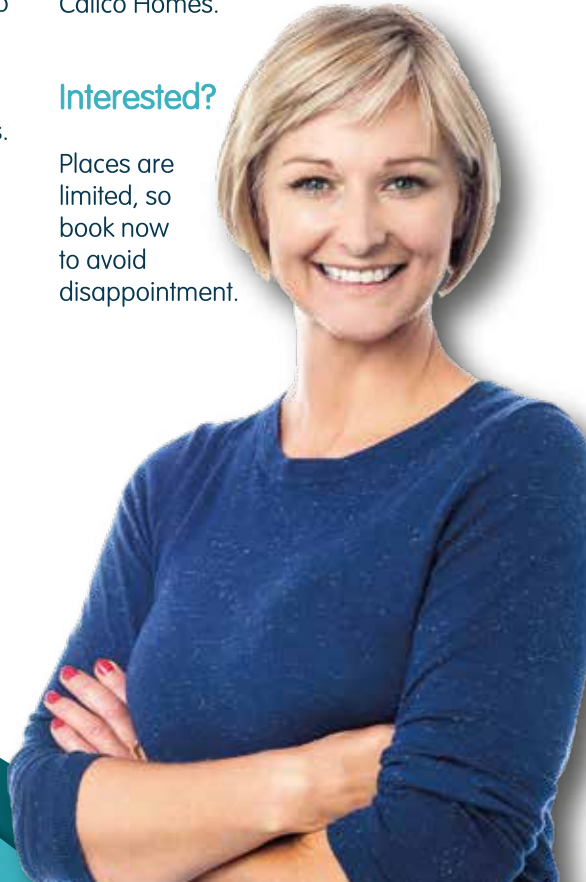

If you want to make a difference, this could be an amazing opportunity for you!

To find out more, come along to our intro evening on **Monday, 29 October 2018** from **6.30pm to 7.30pm** at **Calico Homes, Centenary Court, Croft Street, Burnley, BB1 2ED.**

At the intro session, we'll give you an insight into our work and our values, and will be explaining our recruitment process, which includes attending a free 3-day workshop on **Saturday, 10, 17 and 24 November 2018** from 10am to 4pm at Calico Homes.
