

### **My Life Learning 16 – 19 Tuition Funding Statement of Use**

The 16 to 19 tuition fund is £96 million of one-off funding for the 2020 to 2021 academic year only. It is ring fenced funding for schools, colleges and all other 16 to 19 providers to mitigate the disruption to learning arising from coronavirus (COVID-19).

My Life Learning is an independent specialist college. All of our learners have special educational needs and disabilities (SEND) and the funds will be used to support learners across their curriculum. We will utilise our additional funding to fund additional tutors to provide either direct 1:1 or small group intervention with a focus on English and/or maths. These may form as breakouts from regular sessions, at lunchtimes or outside our regular timetable hours as necessary. Learners will be assessed on an individual basis as to need and best method for delivery.
